

LA BELLE EPOQUE, COCTEAU, CLASSIC MYTH AND MODERNE WERE THE ECLECTIC MIX OF STYLE AND MOOD THAT INSPIRED THIS COLLECTION.

MANY PIECES WERE FOUND IN PARIS FLEA MARKETS THAT WERE REMINISCENT OF PARIS AT THE TURN OF THE CENTURY WHEN *“Style was a simple way of saying complicated things.”* - JEAN COCTEAU

MIXING THE SURREAL WITH CLASSIC MYTH AND ELEMENTS OF MODERNITY FOR A STYLE OF “REALISM” THAT PULLS FROM THE PAST TO A RELEVANT NOW...

*“True realism consists in revealing the surprising things which habit keeps covered and prevents us from seeing.”* - JEAN COCTEAU
